**Subject:** request to post - chemist I drug lab Boston

Karen,

Stacey Feiden Desjardins verbally resigned her Chemist I position in the Boston Drug Laboratory today. Her last day will be Friday February 25, 2011. I am anticipating the written resignation this afternoon but wanted to expedite the posting process by sending this along ASAP. Please use the job description that I sent in my earlier email to post that Chem I vacancy.

Thank you,  
Julie

PS I will send Stacey's letter to you as soon as I receive it.
